This wine is a field blend of 70% Grenache Noir, 15% Monastrell, and 15% Syrah all co-fermented. Wine Club Member To-Go Price \$18.69

93 Points Robert Parker's Wine Advocate & 92 Points Vinous

Bright ruby-red. Slightly wild but vibrant scents of blackberry, raspberry, black pepper, violet and game reminded me a bit of northern Rhône Syrah. Supple, lively and concentrated, conveying a restrained sweetness and Old World savoir faire to its intense but very smooth flavors of smoky dark berries, licorice and peppery herbs. Suave and light on its feet, but also has the energy and dusty tannins for a graceful evolution in bottle. Finishes with captivating notes of violet, black pepper and crushed blackberry.

As always, this Syrah is composed of wines that were declassified from vineyard designate lots. All of the lots saw between 20-80% whole-cluster and there is some co-fermented Viognier present as well. As always, we hope to capture the power and elegance that Syrah can straddle in California, showing here in a wine full of cracked green pepper, smoked meats and violet perfume

Notes of fresh cassis, currants, and dark chocolate make up the aromatic profile. This is underlined by fresh blueberry notes, and a crème brûlée middle palate. The extended finish is well integrated between natural grape and soft oak tannin. Good to drink now and will cellar well for the next 15-25 years.

CHAPPELLET SIGNATURE CABERNET SAUVIGNON, NAPA, CALIFORNIA

The 2016 Cabernet Sauvignon Signature has a very deep garnet-purple color and opens with wonderfully expressive notes of warm cassis, baked plums, black raspberries and kirsch with suggestions of underbrush, lilacs and chocolate box. Medium to full-bodied, the palate reveals layers of red and black berries with stunning freshness and an approachable, grainy texture, finishing long and earthy.
