Third Corner Retail Price \$29.99 Wine Club Member To-Go Price \$25.49

This wine captures both the terroir and the long history of Chalone Vineyard. The 3.79-acre Chenin Blanc vineyard was hand planted by Lucien Charles Tamm, who recognized this remote, mountainous site as having similar limestone soils to those in his native France. Planted in 1919, vines this old produce miniscule yields but extraordinary fruit. Complex aromas and flavors of Fuji apple and Bosc pear, followed by citrus notes of tangerine and a hint of honeycomb balanced by a delightful minerality

2016 ESTATE CHARDONNAY

This blend of 60% Carignane and 40% Grenache is styled after its Provençale cousins from southern France. The grapes are harvested early, then lightly foot stomped and allowed to cold soak overnight to extract color and texture before the juice is pressed off and fermented in stainless steel. This bone-dry rosé possesses vibrant acidity, notes of strawberry and watermelon and a hint of kiwi on the finish.
